

Nature Materials Composition Sheet

Name for components	Category for Components	Specifications Description	Materials Composition
Wood	natural maple the included in FSC/PEFC certification	To be the framework for this kind of stick	100% pure wood
Glue	To bond the wood caps with the magnet and to bond the wood with wood	Epoxy resin	Epoxy resin
Magnet	metal (rare-earth)	To set the function the lids can be attached to the stick	NdFeB (neodymium iron boron) with Nickel plated
USB head	Metal components	Metal connector with customer's machine	Iron with Nickel plated
metal ring/metal pillar	Metal components	to hold the Key ring of customer's	stainless steel
MUDP	Electronic components	Integrated circuit chip	Electronic components
Controller+Flash+Resister+capacitance+soldering tin	Electronic components	Epoxy resin +Tin+Copper	Epoxy resin +Tin+Copper
