

# Sales Leader Board

## Where Have We Delivered To

### WHERE HAVE WE DELIVERED TO

Based on the delivery address in NetSuite for the sales order a country will light up in dark grey/gold. You can hover over the highlighted country to see the country name.

The page will switch from 'This Hour' to 'This Month' automatically after 30 seconds or you can switch between the two pages by pressing the "This Hour" or "This Month" button

### 'THIS HOUR'

A country will light up in **dark grey** when a sales order is placed and will stay grey for 60 minutes. If no new sales order is placed, it will go back to light grey

### 'THIS MONTH'

A country will light up in **gold** when a sales order is placed and will stay gold for the remainder of the month

This Hour
